DR. ETHEL PERCY ANDRUS; FOUNDER,  
NATIONAL RETIRED TEACHER'S ASSOCIATION  
(NRTA) AND AMERICAN ASSOCIATION OF  
RETIRED PERSONS (AARP)

Dr. Ethel Percy Andrus saw value and worth where others may not have – in the older members of our society. She knew that older Americans could contribute to the welfare of our country and affect positive social change in a democratic society. With these ideas in mind, Andrus founded the National Retired Teachers Association (NRTA) in 1947 and the American Association of Retired Persons (AARP) in 1958. Both have established the importance older members of our society make. The AARP has become a powerful presence, with more than 35 million members aged 50 and older.
